## FROM STAGE TO SCREEN

BURNING RIVER BRASS presents classics from the concert stage to the big screen. Ballet, Opera, Broadway, and more! Highlights include Bizet's lively *Carmen Suite*, Tchaikovsky's romantic *Swan Lake*, Bernstein's rousing *West Side Story* and stirring selections from some of our favorite movies such as *Raiders of the Lost Ark*, *Goldfinger*, *The Magnificent Seven*, *The Natural*, and *Star Wars*!

"THESE MUSICIANS  
ARE VIRTUOSOS."

—The Plain Dealer

**BURNING RIVER BRASS** has been dazzling audiences since 1996 with “*power and virtuosity*,” “*harmonious blend*,” and “*consistently stirring performances*.” Composed of twelve of the finest brass and percussion players in the country, BRB is an ensemble on fire! In concerts from Alaska to Taiwan, the ensemble is applauded for its style and precision as well as for the infectious joy with which it performs. Burning River Brass has released three CDs on the Dorian® label — *Of Knights and Castles*, *Russian Carnival*, and *Romanza Espana* as well as their very own *Christmas Around the World* — all of which have been praised for their energy, sound, and style. BRB has been heard on NPR’s *Performance Today*, and *Sunday Baroque* as well as radio stations throughout the country and abroad.

*“Burning River Brass is sophisticated and talented. But music should be enjoyable as well as serious. These 12 musicians had such fun that the evening was a delight from start to finish.”*
